Suggested Materials: Pencil, Paper, and Calculator

Exam Rules

- You may not reference information on any external sites
- You may not work with others
- You may not copy questions and share them with others
- You may not run code using other websites or programs

CodeHS reserves the right to question any exam score that may be the result of cheating. If you are found in violation of the exam rules, your certification scores will be cancelled and your teacher will be contacted.

Exam Directions

Work through the exam to the best of your abilities! Upon starting the exam, you will have 90 minutes to answer all of the questions. You will not be able to visit any other page on CodeHS until the allotted time expires or you submit the exam.
