 - Suggested materials: pencil, paper, calculator
- You will not have access to other CodeHS pages while the exam is in progress.
- You will have access to a reference sheet with built-in functions and commands that may be included in the certification exam.
- Exam results will be shared within 36 hours of completing the exam on school days.

Exam Day Logistics

Setting an Exam Date

Please coordinate an exam date and time with your students and share the date with your CodeHS Customer Success Manager.

Distributing Vouchers:

- Once you've decided on an exam date, you should share it with your CodeHS Customer Success Manager who will set up your exam vouchers.
- You will be able to access your exam voucher(s) at codehs.com/certifications.
- To get students setup, share this [Student How To Guide](#) with steps to access the exam.

Accessing CodeHS Certification Exam:

1. Students should log into their CodeHS account
2. Go to codehs.com/certifications or click Certifications along the left-hand navigation bar of their student page
3. Choose the exam, enter the voucher code provided by their teachers, and click **Unlock Exam**
4. Click **Start Exam**
5. Before starting, students will be prompted to review the exam instructions and sign the CodeHS Honor Code
6. Once students sign the Honor Code and click **Start**, the timer will begin

Post Exam Logistics

- Teachers will be able to immediately see which students have taken a certification exam by going to codehs.com/certifications and clicking the voucher.
- Within 36 hours of the exam on school days, teachers will receive an email notification with a link to their students' exam results and a concept mastery report at codehs.com/certifications.
