CodeHS

Join the CodeHS Teacher Trainer Program

Learn more about the program and apply today!

Overview & Goals

To achieve its mission of empowering all students to impact the future, CodeHS offers the Teacher Trainer Program. Selected CodeHS teachers share best practices, projects, and teaching strategies with fellow CS educators in virtual or in-person events. By nurturing a community of skilled educators, CodeHS aims to empower all students to shape the future through coding.

Program Benefits

- Join an elite cohort of educators to further your CS education journey
- Network with the CodeHS team and other teacher trainers
- Receive an honorarium for each workshop you host, sharing your knowledge with a community of CS teachers!
- Access our PD Membership Area, valued at $400, upon completion of your initial workshop presentation.

Applications are due on Friday, June 14th!
