# Computer Science Education Week

December 5 - 11th, 2022

Run an Hour of Code during Computer Science Education Week, an annual event to get students excited about CS! CodeHS offers all the resources needed to celebrate for K-12.

## How to Run a Hour of Code Webinars (For Teachers)

These 45-minute webinars cover our free hour-long tutorials on CodeHS, how to pick the right tutorial for students, and tips on hosting a successful workshop.

Teachers can RSVP today at [codehs.com/freepd](https://codehs.com/freepd).

## Live Virtual Hour of Code Workshops (For Classrooms/Students)

Our virtual workshops include a short introduction followed by guided support through a CodeHS lesson. Teachers can register their classrooms at [codehs.com/hourofcode2022](https://codehs.com/hourofcode2022).
