

# Summer 2023 Praxis Computer Science Preparation Course for Wyoming Teachers

*In Partnership with the Wyoming Department of Education*

In partnership with the Wyoming DOE, CodeHS is running a free virtual PD course to help teachers prepare for the Praxis Computer Science Exam this year. Any Wyoming K-12 teacher looking to earn their CS teaching certificate is eligible!

## Praxis Computer Science Prep Course Overview

This is a virtual 50-hour asynchronous course where teachers in the cohort work through the curriculum at the same pace.

Throughout the course, teachers have the option to join:

- Live lessons and Q&As with the cohort
- 1:1 support meetings with a CodeHS PD Specialist
- Exam review sessions including coding and free response practice
